Learners' Department.

We open our new volume with an advanced series of exercises. Juvenile classes should be required, before writing the words in the list below, to spell them, first by name, and then the sounds. The spelling by name will run in this way: "pee - a(p) - pee, pap; pee - o(p) - pee, pop; pr - o(p) - pee, prop; pee - a(t) - trz, patters; pl - a(t) - tn, platen, etc.

- NOTE. Those who do not read phonography, and to whom the body of this magazine is *terra incognita*, are invited to procure a copy of Pitman's Phonographic Teacher. A month's study of this book will enable any one of ordinary intelligence to read in the learners style of phonography with ease.
